

# Scalping

Fit your scalping deck with Polydeck's rubber media options that have been designed specifically for scalping. Our products withstand high impact while providing long wear life, noise reduction and the convenience of modularity.

## Features and Benefits:

### RUBBERDEX

- Abrasion resistance leads to high wear life.
- Fastening options and a wide range of aperture sizes and shapes available.

### ARMADEX

- Extreme Duty and abrasion resistant.
- High wear life.
- High-Strength, Low Alloy (HSLA) steel backing for added strength.
- Wide range of aperture sizes and shapes available.
- Bolt-holes located to fit your screen.
- Our versatile manufacturing methods allow Armadex sections to be made in sizes up to 4' x 8' and up to 4" thick.
- Outwears competitive options by as much as 2 to 1.

## Options

### Skid Bars

- Integrated panel features that extend aperture service life by raising large material off the panel surface.
