

# POLYDECK®

# PROTEX® CBL

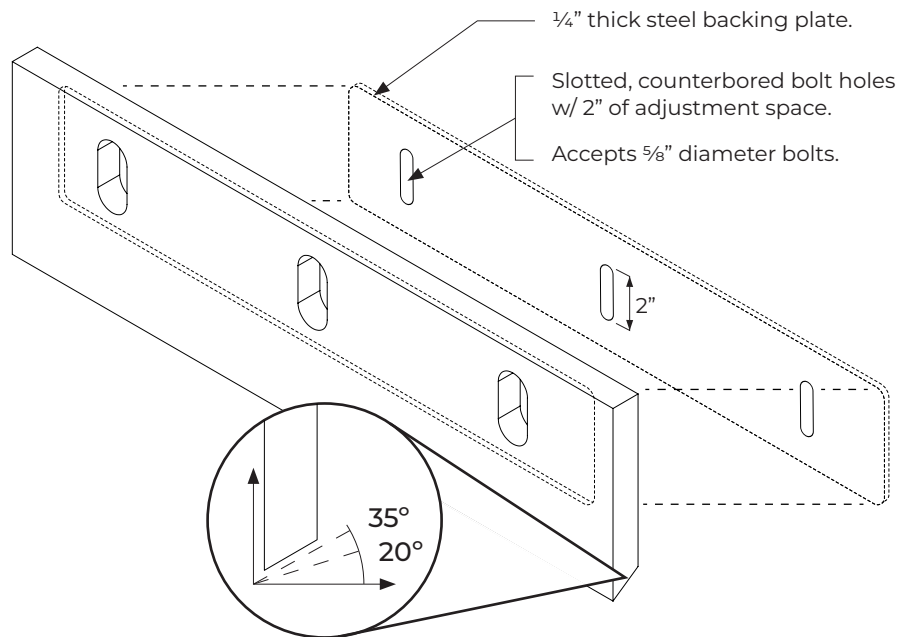

Material spillage and dust on conveyors are common issues that can disrupt operations and require frequent clean-up.

PROTEX® CBL conveyor belt liners are engineered to adapt to your operation's conveyor belt sides, providing precise fit and heavy-duty durability. Ensure stable control of bulk-loaded material and reduce spillage.

## HOW IT HELPS YOUR PLANT

- Enhances wear life of conveyor sides.
- Reduces conveyor maintenance costs and downtime.
- Prevents material loss and unnecessary maintenance downtime.
- Fits existing conveyor belt heights.
- Stabilizes bulk-loaded material.
- Reduces material spillage.

*\*Multiple rubber formulations available*
