

POLYDECK®

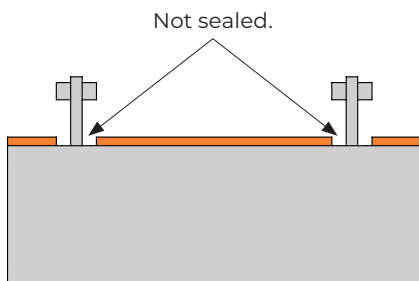

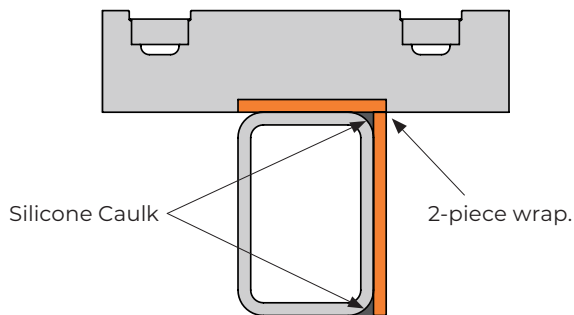

PROTEX® RC

Enhance the durability and uptime of your equipment with PROTEX RC. PROTEX RC is a premium rubber lining designed for advanced protection in both wet and dry applications. Available in two different thicknesses, 1/4" and 3/8". PROTEX RC can be custom cut to fit various components and areas within your plant. Protect your vibrating screen frames, stringers, trommels, or other areas prone to abrasion with PROTEX RC.

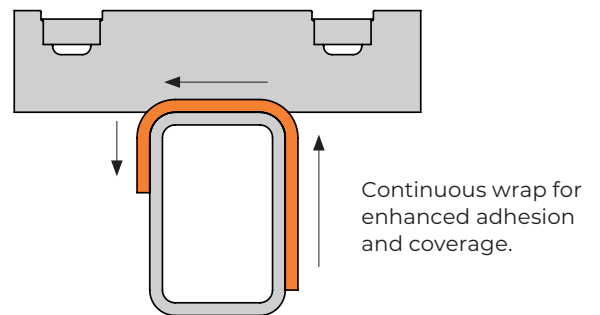

STANDARD PROTEX RC

2-sided coverage:
Feed side and top side.

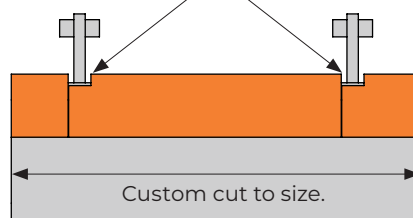

PROTEX RC DELUXE

Wrapped 2-sided coverage:
Feed side, top side, and discharge side.

T2 Vulcanizing Rubber Adhesive
for complete seal of rubber edge.

**Additionally, 3-sided and fully encapsulated deluxe options are available for increased protection as needed.*
