

Designed for extreme versatility and maximum open area for your screen.

Features and Benefits:

- Customizable configurations, options, accessories, and fastening styles to meet your gradation requirements.
- Ferrule inserts that can be individually replaced in high wear areas.
- ½ inch wide stringer rails offer the most throughput in the industry when combined with Polydeck's Maxi Panels.

Options

- PipeTop stringers are available in both 2 and/or 3 ferrules per foot (Polydeck can help you determine which option is best for your specific application)
- Fastening: PolySnap, Pin and Sleeve, Pin-Style and Bolt-Down
- Configurations: Individual Stringer Rails, Pre-spaced stringer jigged assemblies, Complete Deck Frames
- Ferrules and stringers are available in mild steel, stainless steel or any combination
- Protective add-ons include rubber lining, epoxy coating, ProTop
